

COOKIE POLICY

General information

This Cookie Policy is prepared in accordance with the applicable laws and is designed to assist you with understanding what cookies are used by QWIN on our websites <https://qwinworld.io> and <https://qwin.world> and what are the objectives underlying the usage of cookies.

A cookie is a small piece of data sent from a website and stored on the user's computer by the user's web browser while the user is browsing. Cookies are designed to remember information related to you (such as language preference or login details) and to make your browsing experience as smooth as possible.

There are different types of cookies. Some cookies are set by us and come directly from our websites (first party cookies), others come from third parties (domains different than the domain of our websites) which place cookies on our website (third party cookies).

Cookies can be stored for varying lengths of time on your browser or device. Session cookies are deleted from your computer or device when you close your web-browser. Persistent cookies will remain stored on your computer or device until deleted or until they reach their expiration date.

All cookies used by us may be only used with the prior consent from you. You may express your consent by staying on our websites after seeing the cookie policy notification in our websites.

Cookies used on our websites

Name of the cookie	Cookie provider	Description/Purpose	Expiration
_ga	google.com	Google Analytics cookie used to distinguish users. More information can be found on: https://developers.google.com/analytics/devguides/collection/gajs/cookie-usage .	2 years

IDE	doubleclick.net	DoubleClick's cookie used to measure the conversion rate of advertisements presented to the user and for serving targeted advertisements that are relevant to the user across the web.	2 months

How can Cookie preferences be changed?

Within your browser you can choose whether you wish to accept cookies or not. Different browsers make different controls available to you. Generally, your browser will offer you the choice to accept, refuse or delete cookies at all times, or those from providers that website owners use i.e. third party cookies, or those from specific websites. Each browser's website should contain instructions on how you can do this.

For further information please refer to: <https://www.aboutcookies.org/how-to-delete-cookies/>.

If you block cookies on our website, you may be unable to access certain areas of our website and certain functions and pages will not work in the usual way.

Changes to the Cookie Policy

We may update this Policy from time to time. If we make significant changes we will let you know but please regularly check this Policy to ensure you are aware of the most updated version.

This Cookie Policy was last updated on 17 July 2018.
